

WHAT YOU'LL GET OUT OF IT

77 days of action packed adventure travel at its best. Combine the best of the organised 'Tour Bus Travel Style', the 'Exchange or English Language Course' advantages, with the benefits of the slow rollercoaster ride of 'work & travel'.

This programs is great for young people seeking to grow, learn, experience & develop.

Adventure Travel. From insider knowledge on secret spots, to camping in tents at beautiful camping areas & spending time exploring new trails or scenic natural environments you will be experiencing adventure travel at its best.

Cultural Exchange & Environmental Service. Be culturally immersed in NZs' European & Maori cultural heritage through sport, cuisine, history, visits and storytelling. From High Country farm dogs to Maori earth ovens we've got you covered. Join eco-environmental projects and contribute to NZs' unique natural environments & wildlife through projects in remote or stunning places.

Wilderness & Outdoors Experiences. From Kayaks, Bikes, Buses, & our Feet, you will explore inspiring natural environments in NZs' incredible pure wilderness on our amazing adventures.

Personal Development & Leadership. Leadership starts with you! Resilience, empathy, interpersonal skills, communication & motivation are the beginnings of the inspired, confident & team playing star you can become.

Education. We only spend a short period of time on classroom theory, preferring experiential learning - the act of doing & reflecting.

You are not just gaining more from your New Zealand experience, but the **MOST!**
